

“How was school today?” “Fine.”  
“What happened?” “Nothing.”

Evidence suggests that parents engagement in their children’s academic performance was related to strong and consistent gains in student performance.

If robo-calls and colorful flyers don’t reach you, and the tests are hidden in your children’s backpack; The answer is *Skyward* .

*Skyward Family Access* is an online report card and more. It provides parents or legal guardians access to student record information anytime, day or night.

*Skyward Family Access* allows easy, open lines of communication between the school and home. Students and parents can login to view attendance, grades, schedules, and calendars. Parents are able to access their children's grades as soon as the teacher inputs that information.

To set up a *Skyward Family Access* account:

- Contact the school Registrar to set an appointment
- Parent/legal guardian must bring a photo ID with the current home address listed on it.
- A single Parent ID and Pin Code will provide access to all students for whom you are the legal parent/guardian.
